JUNIOR MINERS FORUM OF SOUTH AFRICA

Empowering Junior Miners.
Unlocking Investment.
Building Africa's Mining Future.

A strategic platform connecting Junior Miners, Investors, Government, Mining Houses and Industry Partners.

ABOUT THE FORUM

The Junior Miners Forum is a platform dedicated to creating opportunities for emerging and junior mining companies to access investment, partnerships, markets, technical expertise and strategic support.

We bring together key stakeholders across the mining value chain to address the challenges faced by junior miners and unlock the potential of South Africa's and Africa's emerging mining sector.

OUR KEY FOCUS AREAS

Access to Finance
Connecting junior miners with investors, DFIs, banks and funding institutions.

Mining & Exploration
Supporting exploration, mining projects and the development of mineral resources.

Strategic Partnerships
Creating partnerships between junior miners, established mining houses, suppliers and investors.

Sustainable Mining
Promoting responsible mining, environmental stewardship and meaningful community development.

Market Access
Creating opportunities for offtake agreements, local beneficiation, trade and international markets.

Inclusive Growth
Promoting meaningful participation of youth, women and historically disadvantaged entrepreneurs in the mining industry.

WHO SHOULD BE PART OF THE FORUM?

Junior & Emerging Miners | Exploration Companies | Investors | DFIs | Commercial Banks | Mining Houses | Government | Equipment Suppliers | Technology Companies | Professional Services | Communities

WHY JOIN?

CONNECT • INVEST • PARTNER • GROW

- Showcase your mining project
